Present UIViewController and dismiss from it I have two button (that share the same code) one for present and the other one for dismiss. I have a viewController called "MainViewController" that contains a

button of type "presentmodalViewController" that present a SecondViewController, where I show a Spinner view (to show that the view is loading, until all is loaded). The problem is that, when I click on the dismiss button, it no longer works. Please, help me solve this problem. Thanks a lot. - (IBAction)presentModal:(id)sender {

(AP) — An attorney for a New Mexico dentist says prosecutors can't charge him with drunken driving because the defendant had a prescription for Valium in his system and the drug can be safely consumed to treat anxiety. Syd Cone of Albuquerque says in court papers filed Thursday that the sheriff's department and district attorney's office want to charge Jonathan Macias with intoxication manslaughter after he caused a crash in August 2014 that killed two men. Macias was stopped in Albuquerque in May and has been charged with DUI following his arrest. Media playback is unsupported on your device Media caption Democratic Congresswoman Debbie Wasserman Schultz was booed as she emerged on Capitol Hill Embattled Democratic party congresswoman Debbie Wasserman Schultz has been booed and jeered as she arrives for a meeting with House investigators. The Florida congresswoman has been repeatedly accused of favouring Hillary Clinton over her own party's presidential nominee, Bernie Sanders. Several members of the public berated her as she walked towards the Capitol building to meet the House panel. "We're not interested in hearing from you," said one woman. "We're interested in what she's done," said another. The congresswoman was briefly

heckled but continued walking without responding to insults. Earlier this week she was questioned about her role in leaked emails showing an apparently critical remark by Mrs Clinton about the "future" of her presidential campaign. As the Florida congresswoman made her way to the meeting - on the same day that the two party candidates held joint rallies in Cleveland, Ohio - more critics came out to greet her. One of the loudest voices shouted, "What about the Russians?" "I'd like to know who you're working for!" Another yelled.
