So while some of the atheist community is being more respectful, I imagine theists are just as big asses as usual. Sadly (for some), Christianity is so tenacious, that it's firmly planted in the West. And, unfortunately, this is where the election is. When you talk about abortion, Atheism gets slammed as killing the innocent. Christians are never reminded that their religion does just as much violence on the very young and frail. I've heard that from atheists, and for the most part, it seems like they are more open minded than Christians. I'm actually considering this, because it seems like it would be a great way to help people convert to other religions. But I also need to be very open minded because I'm under a lot of stress and don't have a

Only Reader by God On August 21, 2011
Related: The Bible is just in English. The Old
Testament is the only part of the Bible written in
English. Yet over the years, especially in the UK,
this has been overlooked and “Old Testament-
only” people have been left slightly behind.
From this comes a misplaced focus on the OT.
However, the fact that the whole Bible is in
English is not a reflection of this but a reflection
of the actual original language of the Old
Testament, Hebrew. The Hebrew Bible does not
have an Old Testament and
